**1.11. Modification of Proposals**

A bidder may modify a proposal by letter or by FAX transmission at any time prior to the closing date and time for receipt of proposals.

**1.12. Withdrawal of Proposals**

A proposal may be withdrawn on written request from the bidder to the Procurement Officer at the Office of Procurement and Contracts prior to the closing date.

The bidder shall advise the Office of Procurement and Contracts if any specification, language or other requirement inadvertently restricts or limits bidding to a single source. Notification shall be in writing and must be received by the Office of Procurement and Contracts no later than five (5) business days prior to the bid closing date. The Director of Purchases reserves the right to waive minor deviations in the specifications which do not hinder the intent of this bid event.

All proposals become the property of the State of Kansas. The Open Records Act (K.S.A. 45-215 et seq) of the State of Kansas requires public information be placed in the public domain at the conclusion of the selection process, and be available for examination by all interested parties. (<http://www.admin.ks.gov/offices/chief-counsel/kansas-open-records-act/kansas-open-records-act-procurement-and-contracts>) No proposals shall be disclosed until after a contract award has been issued. The State reserves the right to destroy all proposals if the RFP is withdrawn, a contract award is withdrawn, or in accordance with Kansas law. Late Technical and/or Cost proposals will be retained unopened in the file and not receive consideration or may be returned to the bidder.

Trade secrets or proprietary information legally recognized as such and protected by law may be requested to be withheld if clearly labeled "Proprietary" on each individual page and provided as separate from the main proposal. Pricing information is not considered proprietary and the bidder's entire proposal response package will not be considered proprietary.

All information requested to be handled as "Proprietary" shall be submitted separately from the main proposal and clearly labeled, in a separate envelope or clipped apart from all other documentation. The bidder shall provide detailed written documentation justifying why this material should be considered "Proprietary". The Office of Procurement and Contracts reserves the right to accept, amend or deny such requests for maintaining information as proprietary in accordance with Kansas law.

The State of Kansas does not guarantee protection of any information which is not submitted as required.

**1.15. Reviews and Hearings**

The Contractor agrees to advise the Director of Purchases of all complaints of recipients made known to the Contractor and refer all appeals or fair hearing requests to the Director of Purchases. The State has the discretion to require the Contractor to participate in any review, appeal, fair hearing or litigation involving issues related to this contract.

**1.16. Criminal or Civil Offense of An Individual or Entity that Controls a Company or Organization or will Perform Work Under this Contract**

Any conviction for a criminal or civil offense that indicates a lack of business integrity or business honesty must be disclosed. This includes (1) conviction of a criminal offense as an incident to obtaining or attempting to obtain a public or private contract or subcontract or in the performance of such contract or subcontract; (2) conviction under state or federal statutes of embezzlement, theft, forgery, bribery, falsification or destruction of records, receiving stolen property; (3) conviction under state or federal antitrust statutes; and (4) any other offense to be so serious and compelling as to affect responsibility as a state contractor. For the purpose of this section, an individual or entity shall be presumed to have control of a company or organization if the individual or entity directly or indirectly, or acting in concert with one or more individuals or entities, owns or controls 25 percent or more of its equity, or otherwise controls its management or policies. Failure to disclose an offense may result in disqualification of the bid or termination of the contract.

**1.17. Notice of Award**

An award is made on execution of the written contract by all parties.

**1.18. News Releases**

Only the State is authorized to issue news releases relating to this bid event, its evaluation, award and/or performance of the resulting contract.

- (e) no cost or pricing information has been included in the transmittal letter or the Technical Proposal;

- (h) whether there is a reasonable probability that the bidder is or will be associated with any parent, affiliate or subsidiary organization, either formally or informally, in supplying any service or furnishing any supplies or equipment to the bidder which would relate to the performance of this contract. If the statement is in the affirmative, the bidder is required to submit with the proposal, written certification and authorization from the parent, affiliate or subsidiary organization granting the State and/or the federal government the right to examine any directly pertinent books, documents, papers and records involving such transactions related to the contract. Further, if at any time after a proposal is submitted, such an association arises, the bidder will obtain a similar certification and authorization and failure to do so will constitute grounds for termination for cause of the contract at the option of the State;
- (i) bidder agrees that any lost or reduced federal matching money resulting from unacceptable performance in a contractor task or responsibility defined in the RFP, contract or modification shall be accompanied by reductions in state payments to Contractor; and
- (j) the bidder has not been retained, nor has it retained a person to solicit or secure a state contract on an agreement or understanding for a commission, percentage, brokerage or contingent fee, except for retention of bona fide employees or bona fide established commercial selling agencies maintained by the bidder for the purpose of securing business.

For breach of this provision, the Committee shall have the right to reject the proposal, terminate the contract for cause and/or deduct from the contract price or otherwise recover the full amount of such commission, percentage, brokerage or contingent fee or other benefit.

### **2.2. Qualifications**

A description of the bidder's qualifications and experience providing the requested or similar service shall be submitted with the Technical Proposal. The bidder must be an established firm recognized for its capacity to perform. The bidder must have sufficient personnel to meet the deadlines specified in the bid event.

### **2.3. Experience**

All bidders are preferred to have a minimum of three (3) years continuous active participation in the applicable industry, providing equipment/services comparable in size and complexity to those specified herein.

### **2.4. References**

Provide three (3) references who have purchased similar items or services from the bidder in the last three (3) year(s). References shall show firm name, contact person, address, e-mail address and phone number. Bidder's employees and the buying agency shall not be shown as references.

### **2.5. Technical Literature**

All responses shall include specifications and technical literature sufficient to allow the State to determine that the equipment meets all requirements. This technical literature will be the primary source for bid evaluation. If a requirement is not addressed in the technical literature it must be supported by additional documentation and included with the response. Responses without sufficient technical documentation may be rejected.

### **2.6. Documentation**

Examples of documentation delivered by the manufacturer with purchase of items shall be included. Contractor must be able to deliver additional copies (beyond the bid response set) of documentation on an immediate

basis for use in the evaluation process. Within the section, bidders may use any format. Include detailed, standard, published literature describing each equipment item and feature offered.

If asked, bidders shall deliver additional copies of bid response documentation immediately. Within the section, bidders may use any format. Include detailed, standard, published literature describing each item and feature offered.

**2.9. Unit Pricing**

Each item required by the bid must be individually priced (i.e. priced per single unit) and be able to be ordered individually.

**2.10. Evaluation of Bids**

Award shall be to the lowest responsible bidder taking into consideration conformity with the specifications, terms of delivery and other conditions imposed by this bid event. Award will be by line item, group totals, or total lot, whichever is in the best interest of the State of Kansas.

**2.11. Certification of Specifications Compliance**

By submission of a response and the signatures affixed thereto, the bidder certifies all products and services proposed in the IFB meet or exceed all requirements of this specification as set forth in the IFB.

**2.12. Procurement Card (P-Card)**

Many State Agencies use a State of Kansas Procurement Card (currently Visa) in lieu of a state warrant to pay for certain purchases. No additional charges will be allowed for using the P-Card. Bidders shall indicate on the Event Details document if they will accept the Procurement Card for payment.

**2.13. Political Subdivisions**

Political subdivisions (City, County, School Districts, etc.) are permitted to utilize contracts administered by the Office of Procurement and Contracts. Please state in the area provided on the Event Details document whether or not you will allow this usage. Conditions included in this contract shall be the same for political subdivisions. The State has no responsibility for payments owed by political subdivisions. The Contractor must deal directly with the political subdivision.

### **3. Terms and Conditions**

#### **3.1. Contract**

The successful bidder will be required to enter into a written contract with the State. The contractor agrees to accept the provisions of Form DA 146a (Contractual Provisions Attachment), which is incorporated into all contracts with the State and is incorporated into this bid event.

#### **3.2. Contract Documents**

This bid event, any amendments, the response and any response amendments of the Contractor, and the State of Kansas DA-146a (Contractual Provision Attachment) shall be incorporated into the written contract, which shall compose the complete understanding of the parties.

In the event of a conflict in terms of language among the documents, the following order of precedence shall govern:

- Form DA 146a;
- written modifications to the executed contract;
- written contract signed by the parties;
- the Bid Event documents, including any and all amendments;
- Contractor's written offer submitted in response to the Bid Event as finalized.

#### **3.3. Captions**

The captions or headings in this contract are for reference only and do not define, describe, extend, or limit the scope or intent of this contract.

#### **3.4. Contract Formation**

No contract shall be considered to have been entered into by the State until all statutorily required signatures and certifications have been rendered and a written contract has been signed by the contractor.

#### **3.5. Statutes**

Each and every provision of law and clause required by law to be inserted in the contract shall be deemed to be inserted herein and the contract shall be read and enforced as though it were included herein. If through mistake or otherwise any such provision is not inserted, or is not correctly inserted, then on the application of either party the contract shall be amended to make such insertion or correction.

#### **3.6. Governing Law**

This contract shall be governed by the laws of the State of Kansas and shall be deemed executed in Topeka, Shawnee County, Kansas.

#### **3.7. Jurisdiction**

The parties shall bring any and all legal proceedings arising hereunder in the State of Kansas District Court of Shawnee County, unless otherwise specified and agreed upon by the State of Kansas. Contractor waives personal service of process, all defenses of lack of personal jurisdiction and forum non conveniens. The Eleventh Amendment of the United States Constitution is an inherent and incumbent protection with the State of Kansas and need not be reserved, but prudence requires the State to reiterate that nothing related to this Agreement shall be deemed a waiver of the Eleventh Amendment.

#### **3.8. Mandatory Provisions**

The provisions found in Contractual Provisions Attachment (DA 146a) are incorporated by reference and made a part of this contract.

#### **3.9. Termination for Cause**

The Director of Purchases may terminate this contract, or any part of this contract, for cause under any one of the following circumstances:

- the Contractor provides substandard quality or workmanship;
- the Contractor fails to perform any of the provisions of this contract, or
- the Contractor fails to make progress as to endanger performance of this contract in accordance with its terms.

The Director of Purchases shall provide Contractor with written notice of the conditions endangering performance. If the Contractor fails to remedy the conditions within ten (10) days from the receipt of the notice (or such longer period as State may authorize in writing), the Director of Purchases shall issue the Contractor an order to stop work immediately. Receipt of the notice shall be presumed to have occurred within three (3) days of the date of the notice.

**3.10. Termination for Convenience**

The Director of Purchases may terminate performance of work under this contract in whole or in part whenever, for any reason, the Director of Purchases shall determine that the termination is in the best interest of the State of Kansas. In the event that the Director of Purchases elects to terminate this contract pursuant to this provision, it shall provide the Contractor written notice at least 30 days prior to the termination date. The termination shall be effective as of the date specified in the notice. The Contractor shall continue to perform any part of the work that may have not been terminated by the notice.

**3.11. Rights and Remedies**

If this contract is terminated, the State, in addition to any other rights provided for in this contract, may require the Contractor to transfer title and deliver to the State in the manner and to the extent directed, any completed materials. The State shall be obligated only for those services and materials rendered and accepted prior to the date of termination.

In the event of termination, the Contractor shall receive payment prorated for that portion of the contract period services were provided to or goods were accepted by State subject to any offset by State for actual damages including loss of federal matching funds.

The rights and remedies of the State provided for in this contract shall not be exclusive and are in addition to any other rights and remedies provided by law.

**3.12. Antitrust**

If the Contractor elects not to proceed with performance under any such contract with the State, the Contractor assigns to the State all rights to and interests in any cause of action it has or may acquire under the anti-trust laws of the United States and the State of Kansas relating to the particular products or services purchased or acquired by the State pursuant to this contract.

**3.13. Hold Harmless**

The Contractor shall indemnify the State against any and all loss or damage to the extent arising out of the Contractor's negligence in the performance of services under this contract and for infringement of any copyright or patent occurring in connection with or in any way incidental to or arising out of the occupancy, use, service, operations or performance of work under this contract.

The State shall not be precluded from receiving the benefits of any insurance the Contractor may carry which provides for indemnification for any loss or damage to property in the Contractor's custody and control, where such loss or destruction is to state property. The Contractor shall do nothing to prejudice the State's right to recover against third parties for any loss, destruction or damage to State property.

**3.14. Force Majeure**

The Contractor shall not be held liable if the failure to perform under this contract arises out of causes beyond the control of the Contractor. Causes may include, but are not limited to, acts of nature, fires, tornadoes, quarantine, strikes other than by Contractor's employees, and freight embargoes.

**3.15. Breach**

Waiver or any breach of any contract term or condition shall not be deemed a waiver of any prior or subsequent breach. No contract term or condition shall be held to be waived, modified, or deleted except by a written instrument signed by the parties thereto.

If any contract term or condition or application thereof to any person(s) or circumstances is held invalid, such invalidity shall not affect other terms, conditions, or applications which can be given effect without the invalid term, condition or application. To this end the contract terms and conditions are severable.

**3.16. Assignment**

The Contractor shall not assign, convey, encumber, or otherwise transfer its rights or duties under this contract without the prior written consent of the State. State may reasonably withhold consent for any reason.

This contract may terminate for cause in the event of its assignment, conveyance, encumbrance or other transfer by the Contractor without the prior written consent of the State.

**3.17. Third Party Beneficiaries**

This contract shall not be construed as providing an enforceable right to any third party.

**3.18. Waiver**

Waiver of any breach of any provision in this contract shall not be a waiver of any prior or subsequent breach. Any waiver shall be in writing and any forbearance or indulgence in any other form or manner by State shall not constitute a waiver.

**3.19. Injunctions**

Should Kansas be prevented or enjoined from proceeding with the acquisition before or after contract execution by reason of any litigation or other reason beyond the control of the State, Contractor shall not be entitled to make or assert claim for damage by reason of said delay.

**3.20. Staff Qualifications**

The Contractor shall warrant that all persons assigned by it to the performance of this contract shall be employees of the Contractor (or specified Subcontractor) and shall be fully qualified to perform the work required. The Contractor shall include a similar provision in any contract with any Subcontractor selected to perform work under this contract.

Failure of the Contractor to provide qualified staffing at the level required by the contract specifications may result in termination of this contract or damages.

**3.21. Subcontractors**

The Contractor shall be the sole source of contact for the contract. The State will not subcontract any work under the contract to any other firm and will not deal with any subcontractors. The Contractor is totally responsible for all actions and work performed by its subcontractors. All terms, conditions and requirements of the contract shall apply without qualification to any services performed or goods provided by any subcontractor.

**3.22. Independent Contractor**

Both parties, in the performance of this contract, shall be acting in their individual capacity and not as agents, employees, partners, joint ventures or associates of one another. The employees or agents of one party shall not be construed to be the employees or agents of the other party for any purpose whatsoever.

The Contractor accepts full responsibility for payment of unemployment insurance, workers compensation, social security, income tax deductions and any other taxes or payroll deductions required by law for its employees engaged in work authorized by this contract.

**3.23. Worker Misclassification**

The Contractor and all lower tiered subcontractors under the Contractor shall properly classify workers as employees rather than independent contractors and treat them accordingly for purposes of workers' compensation insurance coverage, unemployment taxes, social security taxes, and income tax withholding. Failure to do so may result in contract termination.

**3.24. Proof of Insurance**

Upon request, the Contractor shall present an affidavit of Worker's Compensation, Public Liability, and Property Damage Insurance to Procurement and Contracts.

**3.25. Conflict of Interest**

The Contractor shall not knowingly employ, during the period of this contract or any extensions to it, any professional personnel who are also in the employ of the State and providing services involving this contract or services similar in nature to the scope of this contract to the State. Furthermore, the Contractor shall not knowingly employ, during the period of this contract or any extensions to it, any state employee who has

participated in the making of this contract until at least two years after his/her termination of employment with the State.

**3.26. Nondiscrimination and Workplace Safety**

The Contractor agrees to abide by all federal, state and local laws, and rules and regulations prohibiting discrimination in employment and controlling workplace safety. Any violations of applicable laws or rules or regulations may result in termination of this contract.

**3.27. Confidentiality**

The Contractor may have access to private or confidential data maintained by State to the extent necessary to carry out its responsibilities under this contract. Contractor must comply with all the requirements of the Kansas Open Records Act (K.S.A. 45-215 et seq.) in providing services under this contract. Contractor shall accept full responsibility for providing adequate supervision and training to its agents and employees to ensure compliance with the Act. No private or confidential data collected, maintained or used in the course of performance of this contract shall be disseminated by either party except as authorized by statute, either during the period of the contract or thereafter. Contractor agrees to return any or all data furnished by the State promptly at the request of State in whatever form it is maintained by Contractor. On the termination or expiration of this contract, Contractor shall not use any of such data or any material derived from the data for any purpose and, where so instructed by State, shall destroy or render it unreadable.

**3.28. Environmental Protection**

The Contractor shall abide by all federal, state and local laws, and rules and regulations regarding the protection of the environment. The Contractor shall report any violations to the applicable governmental agency. A violation of applicable laws or rule or regulations may result in termination of this contract for cause.

**3.29. Care of State Property**

The Contractor shall be responsible for the proper care and custody of any state owned personal tangible property and real property furnished for Contractor's use in connection with the performance of this contract. The Contractor shall reimburse the State for such property's loss or damage caused by the Contractor, except for normal wear and tear.

**3.30. Prohibition of Gratuities**

Neither the Contractor nor any person, firm or corporation employed by the Contractor in the performance of this contract shall offer or give any gift, money or anything of value or any promise for future reward or compensation to any State employee at any time.

**3.31. Retention of Records**

Unless the State specifies in writing a different period of time, the Contractor agrees to preserve and make available at reasonable times all of its books, documents, papers, records and other evidence involving transactions related to this contract for a period of five (5) years from the date of the expiration or termination of this contract.

Matters involving litigation shall be kept for one (1) year following the termination of litigation, including all appeals, if the litigation exceeds five (5) years.

The Contractor agrees that authorized federal and state representatives, including but not limited to, personnel of the using agency; independent auditors acting on behalf of state and/or federal agencies shall have access to and the right to examine records during the contract period and during the five (5) year post contract period. Delivery of and access to the records shall be within five (5) business days at no cost to the state.

**3.32. On-Site Inspection**

Failure to adequately inspect the premises shall not relieve the Contractor from furnishing without additional cost to the State any materials, equipment, supplies or labor that may be required to carry out the intent of this Contract.

**3.33. Indefinite Quantity Contract**

This is an open-ended contract between the Contractor and the State to furnish an undetermined quantity of a good or service in a given period of time. The quantities ordered will be those actually required during the contract period, and the Contractor will deliver only such quantities as may be ordered. No guarantee of volume is made. An estimated quantity based on past history or other means may be used as a guide.

**3.34. Prices**

Prices shall remain firm for the entire contract period and subsequent renewals. Prices shall be net delivered, including all trade, quantity and cash discounts. Any price reductions available during the contract period shall be offered to the State of Kansas. Failure to provide available price reductions may result in termination of the contract for cause.

**3.35. Payment**

Unless specified otherwise, Payment Terms are Net 30 days. Payment date and receipt of order date shall be based upon K.S.A. 75-6403(b). This Statute requires state agencies to pay the full amount due for goods or services on or before the 30th calendar day after the date the agency receives such goods or services or the bill for the goods and services, whichever is later, unless other provisions for payment are agreed to in writing by the vendor and the state agency. NOTE: If the 30th calendar day noted above falls on a Saturday, Sunday, or legal holiday, the following workday will become the required payment date.

The statute further defines the date goods or services are received as the date such goods or services are completely delivered and finally accepted by the state agency. The date the payment is made by the state agency is defined as the date on which the warrant or check for such payment is dated, i.e. warrant issue date.

**3.36. Invoices**

Each purchase order must be individually invoiced. Invoices shall be forwarded to the using agency in duplicate and shall state the following:

- date of invoice.

Unless otherwise specified, the contracted price shall include all applicable federal, state and local taxes. The Contractor shall pay all taxes lawfully imposed on it with respect to any product or service delivered in accordance with this Contract. The State of Kansas is exempt from state sales or use taxes and federal excise taxes for direct purchases. These taxes shall not be included in the contracted price. Upon request, the State shall provide to the Contractor a certificate of tax exemption.

The State makes no representation as to the exemption from liability of any tax imposed by any governmental entity on the Contractor.

**3.38. Shipping and F.O.B. Point**

Unless otherwise specified, prices shall be F.O.B. DESTINATION, PREPAID AND ALLOWED (included in the price bid), which means delivered to a state agency's receiving dock or other designated point as specified in this contract or subsequent purchase orders without additional charge. This Act, with certain limitations, requires the verification of the employment status of all individuals who were hired on or after November 6, 1986, by the Contractor as well as any subcontractor or sub-subcontractor. The usual method of verification is through the Employment Verification (I-9) Form. With the submission of this bid, the Contractor hereby certifies without exception that Contractor has complied with all federal and state laws relating to immigration and reform. Any misrepresentation in this regard or any employment of persons not authorized to work in the United States constitutes a material breach and, at the State's option, may subject the contract to termination and any applicable damages.

Contractor certifies that, should it be awarded a contract by the State, Contractor will comply with all applicable federal and state laws, standards, orders and regulations affecting a person's participation and eligibility in any program or activity undertaken by the Contractor pursuant to this contract. Contractor further certifies that it will remain in compliance throughout the term of the contract.

At the State's request, Contractor is expected to produce to the State any documentation or other such evidence to verify Contractor's compliance with any provision, duty, certification, or the like under the contract.
